Introduces the BBC iPlayer on Popbox V8 and Popcorn Hour A-300

Fremont, CA. November 30th 2011 – Syabas Technology Inc., a leading global distributor of digital entertainment solutions, is excited to announce the addition of the BBC iPlayer for their new Popbox V8 and Popcorn A-300. With the BBC iPlayer customers in the United Kingdom can now watch their favourite BBC programming on demand. The BBC iPlayer can be downloaded for free through the Syabas Apps Market available on all current PopBox and Popcorn Hour products. Please note that the BBC iPlayer is available only in the United Kingdom.

The innovative products by Syabas Technology enable consumers to enjoy a wide assortment of content including home videos, photos, music and online movies. With access to the Syabas Apps Market, users can also enjoy all the latest content on popular services such as Viewster, YouTube, FaceBook, Twitter, Howcast, Weather Bug and more.
